HOT DOG MOMENT

By: Pastor Willie White Jr.

DO YOU HAVE THE MARK?

1 John 3:11
We should love one another.

Love is the birthmark of the Christian. Without the birthmark of love, other people really don't know who you are. All of us have a physical birthmark that is specific to us, whether moles or other kinds of unique identification marks. We know that designers are known by their trademarks. They have logos of various kinds that even if you don't read the name, it becomes clear who made it. God likewise has established a mark, a very clear mark, by which His children who have been birthed by the Spirit ought to be known and that mark is LOVE.

You who promise to be with our students always, I pray that you would be with them as they go back to school. Bless their going and their coming. Bless their learning and their playing. Please protect their hearts from fear. Please keep them safe. Please give them good friends. Give them joy each day, and thank you for loving them from head to toe.

In your name, Amen

A Prayer for Teachers

O Lord,

You who have called and equipped the teachers in our community, we pray for them today. Watch over them, provide for them, guide them, sustain them. May you be their sun and shield, so that they might do the work that you have entrusted to them and sense your care in these times.

In Jesus' name, Amen.

Parents, give your child an **E.D.G.E** this year!!

By: Mr. Moore via Tik Tok

- The **E** stands for **ESTABLISH** a routine. Establish routines and procedures for your children at home. Teachers will have rules and procedures for them to follow and so should you. This will help develop consistency inside the classroom and at home.
- The **D** stands for **DEVELOP** organization skills. This will help your children keep track of their materials. Check bookbags and notebooks often to see if they are organized.
- The **G** stands for **GUIDE** communication. Teach your children to effectively communicate with their teachers and their peers in a respectful manner.
- The last **E** stands for **ENCOURAGE** independence. Encourage them to take responsibility for their own learning when it come to assignments, studying, taking test, and seeking help when needed.

How Can I, the Parent, be proactive about my child's Education?

1. Go to open house and meet the teacher(s).
2. Join the parent/teacher organization.
3. Keep an open line of communication with teachers.
4. Check your child's grade portal often. Get the log-in information from the school counselor.
5. Ask your child about their day every day.
