Give Love this Christmas Season

My Christian brothers and sisters, most people have birthmarks that are specific to them, whether moles or other kinds of unique identification marks. Designers are known by their trademarks. They have logos of various kinds that even if you don't read the name, it becomes clear who made it. God likewise has established a mark, a very clear mark, by which His children who have been birthed by the Spirit ought to be known. LOVE is the birthmark of the Christian. Without the birthmark of LOVE, other people really don't know who you are.

GIVE LOVE THIS CHRISTMAS SEASON!

#1: Every year, more than 15 million babies are born in our world.

#2: More than 400,000 babies are born too soon in our country each year. These tiny babies often face serious problems, and some don't make it.

#3: A healthy pregnancy and baby are a blessing. But some families have their hopes and dreams crushed when their baby arrives too soon, too small, and very sick.
