FREEDOM IS WORTH FIGHTING FOR!

Hot Dog Moment

By: Pastor White Jr.

"Happy 4th of July!

Today we celebrate the blessings of freedom and the enduring principles that unite us. As we reflect on our nation's journey, let's also cherish the values of compassion, justice, and love that are integral to our faith. Freedom is worth fighting for; freedom is worth risking your life for. There's nothing like being free. When you find it for yourself don't hold other folks in slavery. May God bless America and guide us in the pursuit of righteousness.

Hot Dog

Psalm 33:12
Blessed is the nation whose God is the LORD, the people he chose for his inheritance.

JUNETEENTH

Another Year; Another Great Celebration!

Thank you to everyone that made this year's event spectacular! Friday night's kick off worship experience was like no other. Rev. Darryl Calwell delivered an outstanding message, while the Wiregrass Community Choir sang songs to keep us lifted for the rest of the year. Thank you to our wonderful Mayor, William Cooper and our District 1 Councilwoman, Sonya Wheeler Rich for supporting the vision of the Juneteenth festivities. Thank you to the Enterprise Downtown Committee for stepping in this year and assisting with the parade. Thank you to all the parade participants and vendors that took part in Saturday's event. Thank you to Chief Michael Moore and the Enterprise Police and Fire Departments for making sure that main street was ready for the parade. Thank you to all media outlets for the coverage of this event. Thank you to Nikki Mills for handling things with the vendors. Thank you to the citizens of Enterprise and the surrounding areas for supporting our 2024 Juneteenth celebration. Lastly, thank you to my outstanding Pastor, Willie White Jr. and the members of Johns Chapel AME Church for always being willing to help out. **By: Nichole Nichols, Coordinator**

Health Corner: July is National Minority Mental Health Awareness Month.

Mental health matters! Mental health includes our emotional, psychological, and social well-being. It affects how we think, feel, act, handle stress, relate to others, and make choices. Mental health is just as important as physical health throughout our lives.
