On the Edge

Happy New Year Edition

Why do people make New Year's Resolutions?

The New Year is a marker to an end, but yet a beginning. This is the time when people begin to reflect on their lives and marvel over all they accomplished in the past year. At the same time, people begin to set goals for the year ahead of them. **USE ME GOD!!!**

Use me God to disregard, forget, and ignore the things not meant for me. **Use me God** for I know you will give me the desires of your heart. **Use me God** and create in me a new beginning, change, and fresh start.

What is your New Year's Resolution? Jot it down

BE A BARNABAS IN 2023

"A Hot Dog Moment"

By Pastor Willie White Jr.

The name Barnabas means (Son of Encouragement). In this new year 2023, I challenge you to be a Barnabas. I challenge you to be an encourager.

- Will you encourage someone today?
- Will you encourage someone this week?
- Will you encourage someone this month?
- Will you encourage someone this year?

There are countless opportunities to encourage others. Alexander Nowell once said, "God does not comfort us that we may be comforted but that we may be comforters." God has encouraged us, so that we can encourage others. We are to pass along the encouragement with which God has encouraged us.

In 2023 BE A BARNABAS!

2 Corinthians 5:17 Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!

Recipe for a New Year

- Take 365 days, trim off all the old memories of hate and discord. Soak and wash thoroughly in plenty of love and courage. Cut these days into 12 parts, cooking only one day at a time. Be sure the fire is hot with enthusiasm and your kettle is bright with hope.
- Season each kettleful with some kindness for others and add patience, for small trials that come up every day. Add a little earnestness and willingness. Serve with smiles, praise, and plenty of heartwarming joy, with your chin up.
