“Focus on
Progress and
not
Perfection”—

Rev. Willie White Jr.

“A HOT DOG MOMENT” BY: PASTOR WILLIE WHITE JR.

God’s Grace

Titus 3:3-7 “But after that, the kindness and love of God our Savior toward men appeared.”

A great hymn of the church says “Count your blessings, Name them one by one, Count your blessings, see what God has done, Count your blessings, Name them one by one, And it will surprise you, What the Lord has done.”

When we shift our focus on God’s grace, our perspective will change for the better. When we wake up in the morning, rather than complaining about what we don’t have, let’s start with the grace of God. Start with what He’s already done in our lives.

Here in our text, Titus is making it crystal clear that God’s grace is a force. It is like a tailwind that pushes us toward the will of God. Thank God for HIS GRACE!

“DON'T SWEAT THE SMALL STUFF”

Don't sweat the small stuff is something that has to be learned. What exactly is the small stuff that we sweat? It is the littlest of things that we allow to get under our skin and lead to a stressful lifestyle. Some may say it our so called “Pet Peeves”! A pet peeve is a behavior or display that generates annoyance in people. If a pet peeve is a generated behavior, why can't not sweating them become a generated behavior as well. I personally have had to manifest myself in a way that allows me to overcome those things that would upset me easily. I have had to stop sweating the small stuff in order to see the full potential of the picture.

I also learned that sweating the small stuff could lead to procrastination. To procrastinate means to put off until later and then that later never comes. Often times procrastination can be the end to your destination. So why sweat the small stuff? So, don't sweat the small stuff. Just keep moving.

Now look at it this way! What if we let the small stuff keep us from getting to our greater? What if we let the small stuff keep us from our victories? What if we let the small stuff block stop our destiny? But here is the big one, What if we let our small stuff keep us from getting closer to God? Think on that one for a minute.

Yes, God gives us little victories (small stuff) along the way to prepare us for our greater. Instead of sweating the small stuff, take it and build upon it to get to your greater with God. 1 Corinthians 2:9 states that “eye hath not seen, nor ear heard, neither have entered the heart of man, the things which God hath prepared for them that love him.”

Love God, Love People, Love thy self, and don't sweat the small stuff.
